

Governor launches website of Raj Bhavan

Guwahati, August 14: Assam Governor Gulab Chand Kataria unveiled the official website of Raj Bhavan in the presence of the officers and staff of Raj Bhavan and NIC in the conference hall today.

The website has been designed on the basis of all the standards protocols prescribed by the Government of Assam, and is available in English language. The url address of the website is <https://rajbhavan.assam.gov.in/>

Speaking on the occasion the Governor said that a website is very important tool for an institution like Raj Bhavan. Toeing the line of Digital India Mission, the Governor said that the website would enable public in general to access to the information of Raj Bhavan Assam which should be available on public domain quickly, accurately and effectively.

Commissioner and Secretary to the Governor S.S. Meenakshi Sundaram was present in the launching function.
