Assam Governor visits Jorhat Medical College and Hospital

Takes stock of the progress of various schemes in Jorhat district

Guwahati, March 27: Assam Governor Gulab Chand Kataria today visited Jorhat Medical College and Hospital and took stock of the medical facilities made available for the patients. He took stock of different facilities available in the hospital and talked to the patients and assessed their requirement.

The Governor visited several wards including the paediatric and cardiac units. He also visited Cancer Care Centre and took stock of the treatment facilities for the patients. He there after chaired a meeting with the heads of different departments of the college. Deputy Commissioner Pulak Mahanta and Superintendent of Police of Jorhat were present at the meeting.

Later on he held a meeting with the DC, the SP, and department heads to oversee the implementation of various schemes of the central and state governments. He also took stock of the law and order situation in the district.
